# WHAT IS RESET?

RESET Ministries, Inc. is a nonprofit organization created to push the boundaries of traditional discipleship methods to better reach inner city students and youth group leaders.

RESET hosts an annual summer camp for 6th-12th graders and their leaders. Although the primary target is the Gulf South region, its reach has far exceeded that.

The camp experience includes high energy morning and evening worship sessions, recreation, breakout sessions, games, and special events that can only be found at RESET. Students will also have the opportunity to participate in creatives, which are groups designed to help each student explore their talents and spiritual gifts.

Chaperones will join several breakout sessions led by seasoned youth ministry leaders who help them develop relevant programs and techniques to be implemented in their respective groups. Leaders will also be able to connect and network with other youth group leaders from around the country.

## CAMP STAFF

RESET is looking for volunteers to be a part of our summer staff. If you have an interest in being a village leader (camp counselor), working on our media team (video, sound, etc.), or serving on our worship team (singing, playing an instrument), check out [resetcamps.org](https://resetcamps.org) for upcoming opportunities to join us!

build relationships.   
connect with Christ.   
cultivate influence. 

**"We're using nontraditional discipleship methods to reach this generation that desperately needs the Gospel."**

- Chip Luter, Founder & President

## IT TAKES A VILLAGE

RESET is committed to keeping camp costs affordable for all students. The *It Takes a Village Scholarship Fund* is derived from the African proverb, "it takes a village to raise a child." We believe that every person we're connected to plays a role in our growth. It Takes A Village allows students the opportunity to attend camp at a reduced cost. You can be an integral part of their village by donating to the scholarship fund. For more information on how to apply or to contribute, visit [resetcamps.org/donate](https://resetcamps.org/donate).
